07 September 2022

Dear Parent and Carers,

On behalf of the Brushwood Governing Body I would like to warmly welcome you to the new academic year. We hope you have enjoyed your summer break and had some happy and memorable times with your children.

As a Governing Body we are very proud of our children and the school community. We are here to support Mrs. Robertson, the Senior Leadership team and all of our staff in helping to develop our children and create a welcoming, inclusive and happy environment where children can reach their full potential. We share in the strong school values of Collaboration, Confidence, Ambition, Resilience and Success.

Throughout this year the Governing Body will continue to work together with Mrs. Robertson and her team to develop the strategic overview of the school, ensure that the school's objectives are met, monitor and evaluate the effectiveness of the school, and hold the school accountable for the standards set forth and the quality of education expected. We are here to support the school's goal to provide every child with access to an enriched education and to all the opportunities they deserve.

Brushwood is a school that prides itself on lifelong learning with a strong focus on emotional wellbeing and mental health. We believe our students will have many opportunities to thrive academically, socially and emotionally.

The Governing Body would like to thank parents and carers for encouraging and supporting their children and for taking an interest in their learning and development.

As the new Chair of Governors (and a long-time school parent), I am excited to be given this opportunity to take an active role within the Brushwood community and I look forward to meeting you at school and PTA events throughout the year.

Should you wish to contact me to discuss any matter further, I can be reached through the school office. Wishing us all an enriching and fun new school year!

Yours,

Sigal Duvshani-Eli
Chair of Governors
